ID: WP-24-001 v040125
Release Date 01/15/2025

OVERVIEW

EXTENDED WARRANTY COVERAGE

(Vehicles for which there is no Approved Emission Modification)

The Extended Warranty covers the cost of all parts and labor required to repair the components listed below, including diagnostic services and OBD scans, for the specified time limits, regardless of mileage. The Extended Warranty also covers the cost of any OBD diagnostic scan for malfunctions that trigger the OBD malfunction indicator light, regardless of whether the malfunction is attributable to a part that is covered under the Extended Warranty.

The terms and conditions of this Extended Warranty are subject to the exclusions set forth in the Hino Warranty Booklet, which is provided with all Hino trucks upon delivery, and as set forth below, including, but not limited to:

- a. **Damage Due to Accidents »** The Extended Warranty does not cover failures or malfunctions caused or contributed to, directly or indirectly, by accident or collision or improper operation, such as overload, or parts replacements or modifications not authorized by HINO.
- b. **Damage Due to Environmental Conditions »** The Extended Warranty does not cover failures or malfunctions due to environmental conditions, such as, but not limited to, airborne dirt (chemicals, resins, etc.), stone chipping, salts used on roads, tornados, lightning, acts of nature or other events beyond the control of HINO.
- c. **Damage Due to Lack of Maintenance / Use of Wrong Fuel or Lubricants »** The Extended Warranty does not cover failures or malfunctions due to lack of maintenance as described in the Maintenance Schedule or the failure to use the fuel or lubricants recommended in the Hino Driver's and Owner's Manual.
- d. **Unauthorized Chassis Conversions and Installation of Aftermarket Equipment »** The Extended Warranty does not cover failures or malfunctions due to chassis conversions and installation of aftermarket equipment.

EXTENDED WARRANTY COVERAGE

OVERVIEW

The terms and conditions of this Extended Warranty are subject to all applicable laws and regulations, and shall not modify, limit, or affect any applicable state, local, or federal legal rights, and in no event shall supersede or void any outstanding warranty.

To the extent any existing Hino warranty coverage contains terms for warranty coverage that are more favorable than this Extended Warranty, the more favorable warranty provisions shall control.
